PATENT

REMARKS

The examiner issued a Notice of Non-Compliant Amendment pursuant to 37 CFR § 1.121 because “See Claims 8 and 19 on the filing 08/20/07, “said overloaded operator.” It becomes “said undefined operator” in this present amendment without indicated marking. All other claims are subject to for further checking by Applicants.”

Applicants have amended claim 8 to fully mark the present amendments, and respectfully submit that claim 19 already complies with 37 CFR § 1.121 as it stands. The 08/20/07 filing of claim 19 reads, in part, “associating said target type with said undefined operator.” The corresponding part of the present claim 19 reads, “~~associating~~ assigning said target type ~~with~~ to said undefined operator.” Applicants respectfully submit that the present claims satisfy the Notice of Non-Compliant Amendment.
